108 OPTIONS AND MORE TO COME...

DECOPAN Commercial Vehicle, Bus and Caravan FRP / GRP laminate product range is expanding according to the developing requirements of aforementioned categories.

The Transport Sector including the following:

- ▶ Semi - Trailer
- ▶ Trailer
- ▶ Truck and Van Body
- ▶ Mini Buses
- ▶ Buses and Coaches
- ▶ Caravan and RV

are looking for High Performance product. Besides sector trends, Antibacterial and easy - to - sterilize range of product are expanded to meet the growing hygienic requirements that have become evident and vitally important after the global pandemic.

The Decopan anti-slip, tested laminates are used for cabin floorings. The high - performance Anti - Slip laminates (sheets), classified M1/F1 according to NF F16 - 101 are used safely in passenger transport vehicles.

DECOPAN HIGH GLOSS

DISCONTINUOUS TECHNOLOGY GRP LAMINATE

DESCRIPTION

- Options; with Chopped Strand Mat or Chopped Strand Mat with Woven Roving
