# PINCHWELD

Commonly used for door seals and to seal panel edges on vehicles, canopies, camper trailers, caravans, boats, tool boxes, cabinets and more. Pinchwelds are supplied in a range of sizes and grip ranges suitable for all types of materials and edges.

**\*\*All dimensions shown are approximate measurements and should be used as a guide only.\*\***

Conforms to the standards of **ISO9001** and **IATF16949**

Supplied in 50 metre rolls.

(Can also be supplied by the metre. Any cut sections are non-returnable.)

All dimensions are quoted in millimetres.

Other profiles are available on request as Special Orders.

Please ask our staff for further options. Sample profiles are held at Branches.

For Special Orders, there will be a minimum order quantity.

Special Orders will not be accepted for return.
